BH365 Education Foundation Inc is a nonprofit organization whose mission is to raise funds to provide educational resources and services that invite individuals to become critical thinkers, compassionate listeners, fact-based, respectful communicators, and action-oriented solutionist.

BH365 Education Foundation Inc. has chosen a golf tournament, to raise funds to benefit its Black and Blue Ribbon Project – “WE’RE IN THIS TOGETHER!” This project collaborates with Police Chiefs across the United States and equip every police officer with our textbook, “Black History 365 Education, An inclusive Account of American History”. We also couple the textbook with professional development that provides additional resources to restore and develop fractured relationships with people of color. This project is designed to bridge the existing gap between the Black and Blue community, and with your help, we can do it, and the healing can begin!

This year's goal is to raise enough money to cover all tournament implementation costs, including 1st, 2nd, and 3rd place prizes and additional giveaways throughout the event.

With the cooperation of the historical, Golf Club of Dallas, in Dallas TX., we have chosen a four-person scramble format. This type of outing draws many golfers, and we are looking forward to a great turnout.

We are seeking your help to make our golf tournament a successful one. Our desire is to have all 18 holes, the driving range, putting green, longest drive, sponsored from businesses and professionals within our community. To reach this goal, we are asking for a donation of only \$250/hole, \$250/driving range, \$250/putting green (please see sponsorship form for detailed sponsorship opportunities). Your support and help will empower our organization to continue the work in changing the narrative in the communities we work and live.

As a sponsor, you will benefit from local advertisement. Your business name and logo will be professionally displayed in the area you sponsored. We will be sure to highlight you, your business or organization, throughout the duration of the tournament. You are also welcomed to set up a table during the tournament, to share other information about your company/organization.
